Benicia State Parks Association
Earth Day Restoration and Cleanup

Location: Forrest Deaner Native Plant Botanic Garden
Benicia State Park Recreation Area

Saturday April 26, 2014

❖ 9:00 a.m. to 12:30 p.m. - plant and tend the Botanic Garden. All ages and skills are welcome. We will have a range of activities to choose from. Come dressed to get dirty, bring a hat, sun screen and gloves.

❖ 12:30 p.m. – Lunch will be provided, and snacks from the Benicia State Parks Association – Garden Program.

❖ Register by emailing volunteer@bsragarden.org. Registration is recommended so we can plan for sufficient activities and lunches. Or just show up ready to help.

Meet at the Botanic Garden in the Benicia State Recreation Area off Interstate 780 between Benicia and Vallejo (Exit at Columbus Parkway). Free parking for volunteers (fees waived by California State Parks). Please car-pool as parking is somewhat limited.

Opened in 2004, the Forrest Deaner Native Plant Botanic Garden is a volunteer project of the Benicia State Parks Association in partnership with California State Parks. Encompassing 3.5 acres of the Benicia State Recreation Area, the botanic garden is a living exhibit of over 300 species of native plants from our local region of the California Floristic Province.

Funding provided by California State Parks Foundation’s Discretionary Grant program and the Benicia State Parks Association. The Benicia Tree Foundation and the California Native Plant Society are helping with the day’s activities. In addition, Arts Benicia will be facilitating the launch of our Botanic Garden photo contest.
