Fall Plant Sale

Saturday, October 14, 2017
8:00 am to 12:00 pm
Conservation Education Center
6390 Lewis Road, Vacaville

Featuring California native and regionally appropriate plants, ready for fall planting.

RCD staff is on hand to provide recommendations, advice and ideas to use our plants to enhance your landscape and improve wildlife habitat on your property.

Free workshop!

Drought Tolerant Landscaping

11:00 am – 12:00 pm

Learn how to create a beautiful landscape that provides bird and butterfly habitat, conserves water and requires minimal maintenance. RCD staff will talk about plant choices, provide planting, mulching and irrigation demonstrations and offer advice to help you create a beautiful, functional landscape for your home or business.
